

Dear Prospective Host Employer,

We are pleased to present this letter on behalf of the international applicant to introduce American Journey Cultural Exchange aka AJ1, a designated J-1 visa sponsor. AJ1 provides J-1 Visa sponsorship through the Exchange Visitor Program, which allows you to host an international intern or trainee on a temporary basis. We have assisted thousands of international students and young professionals in gaining experience with U.S. businesses, and we are committed to making the process straightforward, efficient, and cost-effective. Here are a few key points to consider if you are ready to extend an offer:

- The J-1 program allows American employers to host international exchange visitors, fostering cultural exchange and diversity in the workplace. Exposure to different perspectives and backgrounds can contribute to a more inclusive and globally aware work environment.
- Both you and this international applicant must meet our program requirements, and you will both need to complete our online application for J-1 Visa Sponsorship.
- There are no fees for Host Employers, unless your business requires a Site Visit.
- Once approved, AJ1 will assist with the necessary paperwork and ensure compliance with J-1 Visa regulations and Visa Sponsorship.
- Participant and Employer Support: AJ1 will provide 24-hour emergency support and be here throughout the program to assist in any way we can, ensuring a smooth transition and addressing any concerns that may arise during the program.

For more information on AJ1, please visit [AJ1 Website](#) or call 1-866-511-0908. Please do not hesitate to contact us if you have any questions or concerns regarding our program.

We look forward to working with you and your international intern or trainee!

Thank you,

The dedicated AJ1 team
